Subject: **Planned Water Leak repair downtown Troy Boro**

To: Troy Borough Business and Property owners

Impacted Streets: Cantons St. east of Shannons, Elmira St., W. Main, E. Main, Exchange St., Fenner Ave, High St. Center Street, Taylor Ave, King St. and John St.

From: Rod Manning
Troy Borough CAO/Manager

Date: May 11, 2026

1. Troy Borough is planning a water pipe leak repair on **Saturday May 16, 2026 from 6 AM – 12 PM.**
2. This letter is to advise your business that there is a **potential** you may experience a loss of pressure/loss of water. We are advising you to allow for your business to plan accordingly. Stock up on bottled water etc.
3. If a loss of pressure/loss water occurs Troy Borough will be issuing you a DEP form (after 12 PM) advising of state protocols/procedures (boil advisory). These procedures would then be in place until the borough has completed DEP water testing.
4. Once the testing, **if needed**, is completed you will receive a notice advising it is ok to go back to normal water usage.

5. Please monitor the Troy Borough webpage for additional information before and after the planned water pipe repair at troyborough.com.
6. If you have questions, please contact the Borough office at 570-297-2966
